The Perfect Gift

For the Holidays, Birthdays or Anytime

A Wonderful Memorial

Your Donations are Tax-Deductible

Anyone can become a "friend" to one of our resident animals who have been rescued and are non-releasable. Your adopted animal remains at the Nature Center where it can receive the care it needs. You can visit your animal anytime.

Select your favorite animal from the list of animals in this brochure. Complete the application and return it to Sweetbriar with your donation. Due to the popularity, some animals may have more than one friend.

Your donations go directly to the animals in the form of food, health care and housing. Your gift not only benefits the animals, but adds to the enjoyment of other visitors to the nature center, who come to learn about the wildlife.
